Re: Statement of Value of Distributed Energy Resources – Cost Recovery

Dear Secretary Phillips:

In accordance with General Information Section 29 of P.S.C. No. 15 – Electricity, the Statement of Value of Distributed Energy Resources – Cost Recovery listed below is filed to become effective February 12, 2024, on not less than three days' notice:

PSC No. 15 – Electricity

Statement of Value of Distributed Energy Resources – Cost Recovery – VDER-CR 71

The purpose of this filing is to revise the applicable factors to recover the actual costs associated with compensation paid under the Value Stack provision of General Information Section 48.B, Value of Distributed Energy Resources in January 2024. These costs were combined with the reconciled costs for the month of October 2023 for which collections were completed in November. This compensation will be recovered through the Market Price Charge and Miscellaneous Charge components of the Energy Cost Adjustment Mechanism, which were also filed today to become effective February 12, 2024.

Questions related to this filing should be directed to Michael Bachan at MBachan@cenhud.com or at (845) 790-4898.

Sincerely,

Joseph Hally
