RE: Case No. 21-E-0074, Proceeding on Motion of the
Commission as to the Rates, Charges, Rules and
Regulations of Orange and Rockland Utilities, Inc. for
Electric Service

Dear Secretary Phillips:

Orange and Rockland Utilities, Inc. ("O&R" or the "Company") hereby submits for filing certain tariff leaves and a statement reflecting revisions to its Schedule for Electric Service, P.S.C. No. 3 – ELECTRICITY ("Electric Tariff").

This filing is made in compliance with the Commission's Order Adopting Terms of Joint Proposal and Establishing Electric and Gas Rate Plans, With Additional Requirements issued April 14, 2022, in Case No. 21-E-0074 ("Rate Order").¹ The Rate Order provides for a three-year electric rate plan in which Rate Years ("RY") 1, 2, and 3 are the twelve-month periods commencing January 1, 2022, January 1, 2023, and January 1, 2024, respectively.

The tariff leaves and statement set forth in Appendix A to this letter are issued December 1, 2023, to become effective on January 1, 2024.

The purpose of this filing is to implement the delivery rate changes for RY3.

Summary of Tariff Modifications

The rates shown on the enclosed tariff leaves reflect the RY3 rate design process described in Appendix 17 of the Joint Proposal.

¹ The Rate Order adopted terms of the Joint Proposal dated October 29, 2021 ("Joint Proposal").

Honorable Michelle L. Phillips
December 1, 2023
Page 2 of 2

RY3 delivery rates have been set in a manner to recover an incremental revenue requirement of \$20,875,640. The \$20,875,640 was then adjusted to remove New York State Gross Receipts Tax and Franchise Tax surcharge revenues, Municipal Tax surcharge revenues, and Metropolitan Transportation Authority Business Tax surcharge revenues. The result is a net delivery revenue increase of \$20,519,640.²

The enclosed tariff leaves reflect the following modifications in accordance with the Rate Order.

1. General Information Section No. 7, Metering and Billing, Subsection 7.5(B)(2), Utility Single Billing Service, has been revised to establish a Purchase of Receivables ("POR") Discount Percentage of 0.908% for RY3.³
2. SC Nos. 1, 2, 3, 4, 5, 6, 9, 15, 16, 19, 20, 21, and 22 have been revised to reflect changes in delivery charges in accordance with Appendix 17 of the Joint Proposal.
3. General Information Section No. 13, Rider J – Smart Home Rate, has been revised to update the demand delivery rates.

Conclusion and Notice

The Company will publish notice of this filing in accordance with Ordering Clause 18 of the Rate Order. Questions regarding this filing can be directed to Cheryl Ruggiero at (212) 460-3189.

Very truly yours,

/s/

William A. Atzl, Jr.
Director – Rate Engineering

Active Parties, Case No. 21-E-0074 (via email)

² An additional \$371,640 in low income credits will also be collected through RY3 delivery rates.

³ The change in the POR Discount Percentages is the result of: (a) an update to reflect the RY3 level of credit and collections cost; (b) revised uncollectibles percentages based on the Company's actual uncollectibles experience applicable to all electric POR-eligible customers for the twelve-month period ended September 30, 2023; (c) a reconciliation of the target level of credit and collections costs reflected in the POR Discount Percentage with the revenues received through the credit and collection component of the POR Discount Percentage; and (d) a revised risk factor set at 20 percent of the revised uncollectible percentages.
