Re: Case 98-G-0122 Compliance Filing

Dear Acting Secretary Renner:

Orange and Rockland Utilities, Inc. ("the Company") hereby submits for filing the following revisions to its Schedule for Gas Service P.S.C. No. 4 - GAS.

Leaf 5	Revision 2
Leaf 189	Revision 0
Leaf 190	Revision 0
Leaf 191	Revision 0
Leaf 192	Revision 0
Leaf 193	Revision 0
Leaf 194	Revision 0
Leaf 195	Revision 0

These tariff leaves are issued on May 14, 1999 with an effective date of May 17, 1999. These leaves are issued in compliance with the Commission's March 17, 1999 Order in the above referenced proceeding.

The purpose of this filing is to establish a set of basic tariff provisions for dual-fuel electric generating facilities having a capacity of 50 MegaWatts or more while permitting negotiated agreements where necessary. To accomplish this, the Company has established Service Classification No. 14. Service Classification No. 14 sets forth the various provisions required by the Commission's March 17, 1999 Order¹.

Also included with this filing is the General Filing Information Form. The newspaper publication requirements of Public Service Law Section 66(12)(b) have been waived per the March 17th Order.

Any questions concerning this filing can be directed to me at (914) 577-2963.

Very truly yours,

¹ On April 16, 1999 Consolidated Edison Company of New York, Inc. filed a petition for rehearing in the above-referenced Case. The Company reserves the right to make conforming tariff changes based on the Commission's final determination regarding this petition.
