## NYSEG

June 19, 1997

Honorable John C. Crary  
Secretary  
Public Service Commission  
Three Empire State Plaza  
Albany, New York 12223

Re: Case No. 97-G-0654

Dear Secretary Crary:

The enclosed revised leaves, issued by New York State Electric & Gas Corporation ("NYSEG"), are transmitted for filing in compliance with the requirements of the Public Service Commission of the State of New York.

|        |         |               |               |
|--------|---------|---------------|---------------|
| Second | Revised | Leaf No. 44   | to PSC 88 Gas |
| Second | Revised | Leaf No. 45   | to PSC 88 Gas |
| First  | Revised | Leaf No. 47.1 | to PSC 88 Gas |

Effective July 23, 1997.

### **Reasons for Proposed Revisions**

On March 31, 1997, NYSEG submitted a "housekeeping" filing to its P.S.C. No. 88 Gas tariff. The filing was necessary in order to incorporate into NYSEG's electronic tariff P.S.C. No. 88, which superseded P.S.C. No. 83, a revised Addendum to P.S.C. No. 83 and update the Service Agreement for Repackaged Gas Services. The Company's update to the Service Agreement for Repackaged Gas Services was to incorporate changes that were made to the Agreement since its inception and to add "Exhibit A" to the Agreement. Staff has reviewed this filing and has recommended further revisions.

### **Proposed Revisions**

These proposed revisions, which have been recommended by Staff, are to clarify the language in the Agreement.

### **Customer Impact Assessment**

These revisions will have no impact on NYSEG's gas customers.

### **Newspaper Publication & SAPA**

NYSEG requests waiver of publication of this proposed change in accordance with 16 NYCRR Part 270.70, as this "clarifying" revision has NO direct impact to NYSEG's gas customers.

### **Special Requests**

NYSEG requests a waiver from the applicable sections of 16 NYCRR Part 270 to allow for the new electronic format.

**Company Contacts**

If you have any questions regarding this tariff revision, please contact me at (607)762-5611.

Very Truly Yours,

/dls  
Encls.
