June 20, 2002

Ms. Janet H. Deixler  
Secretary  
Public Service Commission  
Three Empire State Plaza  
Albany, NY 12223

Dear Secretary Deixler:

Attached for electronic filing with the Commission are the following tariff leaves, issued by The Brooklyn Union Gas Company d/b/a KeySpan Energy Delivery New York ("the Company"), to become effective on September 30, 2002:

Second Revised Leaf No. 94  
Second Revised Leaf No. 95  
Second Revised Leaf No. 107  
Second Revised Leaf No. 108  
to Schedule for Gas Service, P.S.C. No. 12-GAS.

This filing is being made to extend the Business Incentive Rate Program, which is designed to help attract and retain businesses to the Company's service territory, for another three years. The current program is due to expire September 30, 2002.

The Company also seeks to expand the Program's applicability criteria to include graduates from the New York State Incubator Program. This will provide an inducement for these companies (which are generally biotech or software companies sought by other states) to remain in the Company's service territory.

If you have any questions regarding this filing, please contact Joan Graves at 718-403-2560.

Respectfully submitted,

KEYSPAN GAS EAST CORPORATION
