Ms. Janet Hand Deixler
Secretary

Dear Ms. Deixler:

The Hamilton Municipal Utilities Commission hereby files "housekeeping changes" to its Concurrence Tariff currently effective on a temporary basis as ordered in Case No. 98-E-0592. These changes are being proposed following discussion with Commission staff. The Hamilton Municipal Utilities Commission requests that the Commission waive its newspaper publication requirement because the filing will have no effect on its customers.

Sincerely,

Sean Graham
