## NYSEG

April 17, 1997

Honorable John C. Crary  
Secretary  
Public Service Commission  
3 Empire State Plaza  
Albany, New York 12223

Dear Secretary Crary:

The enclosed revised leaves, issued by New York State Electric & Gas Corporation ("NYSEG" or "Company"), are transmitted for filing in compliance with the requirements of the Public Service Commission of the State of New York.

First	Revised Leaf No. 24	to PSC 87 Gas
First	Revised Leaf No. 25	to PSC 87 Gas

Effective May 23, 1997.

### **Reasons for Proposed Revisions**

Housekeeping filing to remove incorrect wording in the Minimum Charge section of Service Classification No. 3 of PSC No. 87 Gas to clarify the statement.

### **Proposed Revisions**

On March 7, 1997, the PSC approved NYSEG's new electronic tariff, PSC No. 87 Gas, which superseded P.S.C. Nos. 73, 75, 76, 79, 82 and 86. Further review by Staff revealed incorrect wording in the Minimum Charge section of Service Classification No. 3. The words "reduced by" are being removed from the sentence of paragraph 2 to clarify the intent of the statement.

### **Customer Impact Assessment**

Since these revisions are "housekeeping" in nature, there will be no customer impact.

### **Newspaper Publication & SAPA**

NYSEG requests waiver of publication of this proposed change in accordance with 16 NYCRR Part 270.70, as this "housekeeping" revision has NO direct impact to NYSEG's gas customers.

### **Special Requests**

NYSEG requests a waiver from the applicable sections of 16 NYCRR Part 270 to allow for the new electronic format.

**Company Contacts**

If you have any questions regarding this tariff revision, please contact Donna Slater at (607)762-8007.

Very Truly Yours,

/dls  
Encls.
