Public Service Commission  
3 Empire State Plaza  
Albany, New York 12223

Dear Secretary Crary:

The enclosed leaf, issued by Niagara Mohawk Power Corporation is transmitted for filing in compliance with the requirements of the Public Service Commission of the State of New York.

First Revised Leaf No. 68

To PSC No. 214 Electricity

Effective: August 25, 1997

This purpose of this filing is of a housekeeping/conforming nature to amend the above mentioned leaf. Original Leaf No. 68 was electronically filed with the Public Service Commission in Case No. 97-E-0524 and erroneously contained the words, "to furnish, install, operate and maintain". First Revised Leaf No. 68 amends this language to "to supply electrical energy to customer's electric lighting system".

The Company requests waiver of newspaper publication under provisions of 16 NYCRR 136.70 since this filing is of a housekeeping nature.

If you have any questions regarding this filing, please contact the undersigned at (315) 428-6821.

Very truly yours,

George A. Bauman
