RE: Case 93-G-0932 - Proceeding on Motion of the Commission to Address
Issues Associated with the Restructuring of the Emerging
Competitive Natural Gas Market

Dear Secretary Crary:

Attached are revisions to Orange and Rockland's electronic filing of its gas tariff.

These revisions to the gas curtailment filing have already been submitted to the Commission in a paper filing with an issuance date of July 30, 1997 to become effective September 2, 1997. The purpose of today's filing is to make the necessary revisions to corresponding leaves in the electronic filing.

If you have any questions regarding this tariff revision, please contact Noreen Fitzgerald at (914) 577-2507.

Very truly yours,

Terry L. Dittrich
