RE: Case Nos. 94-E-0098 and 94-E-0099
Proceedings on Motion of the Commission as to the Rates
Charges, Rules and Regulations of Niagara Mohawk Power Corporation
for Electric Service and Electric Street Lighting Service

Dear Acting Secretary Renner:

The enclosed leaves, issued by Niagara Mohawk, are transmitted for
filing in accordance with the requirements of the Public Service Commission,
State of New York:

Ninth Revised Leaf No. 7
Ninth Revised Leaf No. 19
Seventh Revised Leaf No. 59
Eighth Revised Leaf No. 73
Tenth Revised Leaf No. 82

To PSC No. 214 Electricity

Effective: December 21, 1999

The purpose of this filing is of a housekeeping/conforming nature to
revise leaves included in the above case number which had proposed revisions
to the tariffs for conditions associated with the administration of the New
York Independent System Operator (NYISO). The original revisions were filed
pursuant to Commission Order issued August 26, 1998 in Cases No. 94-E-0098 and
94-E-0099. By Order issued and effective November 17, 1999 these revisions
were allowed to become effective November 18, 1999. Ordering Clause No. 1(c)
authorized the Company to make any necessary "housekeeping" changes to its
tariff as the result of approved revisions made to the above leaves after they
were filed.

The above leaves were inadvertently omitted from the leaves filed for
housekeeping revisions in accordance with Ordering Clause No. 1(c) and
therefore are being filed to become effective on one day's notice, on December
21, 1999, in compliance with this Order.

Anyone with questions regarding this filing may contact the undersigned.

Very truly yours,

George A. Bauman
