NYSEG

November 21, 1997

Honorable John C. Crary
Secretary
Public Service Commission
3 Empire State Plaza
Albany, New York 12223

Dear Secretary Crary:

The enclosed revised leaves, issued by New York State Electric & Gas Corporation ("NYSEG"), are transmitted for filing in compliance with the requirements of the Public Service Commission of the State of New York.

First	Revised	Leaf No. 5	to PSC 89 Gas
First	Revised	Leaf No. 34	to PSC 89 Gas
First	Revised	Leaf No. 83	to PSC 89 Gas
First	Revised	Leaf No. 84	to PSC 89 Gas
First	Revised	Leaf No. 85	to PSC 89 Gas

Effective December 21, 1997.

Reasons for Proposed Revisions

The Public Service Commission developed a new procedure for filing tariffs electronically. To start the new Electronic Tariff System (ETS), it is necessary for New York State utilities to cancel their current schedule(s) and submit new ones formatted for the ETS. On August 20, 1997, NYSEG filed Schedule PSC No. 89 to supersede P.S.C. No. 84 (Case No. 97-G-1447). PSC No. 89 became effective on November 7, 1997.

On July 8, 1997, NYSEG filed revisions to P.S.C. No. 84 (Case No. 97-G-1244) which were not included in the August 20, 1997 filing of the new schedule. These revisions were allowed to become effective on August 27, 1997 by an order issued on July 16, 1997. Therefore, it is necessary to incorporate those revisions into the new tariff, PSC No. 89, to bring it up-to-date.

Customer Impact Assessment

Since these revisions are "housekeeping" in nature, there will be no customer impact.

Newspaper Publication & SAPA

NYSEG requests waiver of publication of this proposed change in accordance with 16 NYCRR Part 270.70, as this "housekeeping" revision has NO direct impact to NYSEG's gas customers.

Special Requests

NYSEG requests a waiver from the applicable sections of 16 NYCRR Part 270 to allow for the new electronic format.

Company Contacts

If you have any questions regarding this tariff revision, please contact Donna Slater at (607)762-8007.

Very Truly Yours,

/dls
Encls.
