NYSEG is filing the above-referenced tariff leaves in compliance with the Commission's February 18, 1998 order in the referenced case.

Purpose of the Filing

On November 17, 1997, the Company filed revisions to its P.S.C. No. 30 - Gas tariff in compliance with Commission order dated September 19, 1997 in Case No. 96-G-0454 to establish rules for submetering of commercial and industrial customers. These revisions were allowed to become effective on December 19, 1997.

Subsequently, on December 8, 1997, the Company filed Schedule PSC No. 90 Gas to convert P.S.C. No. 30 - Gas into an electronic format. This filing is being made to include the submetering provisions from Case No. 96-G-0454 into the new Schedule PSC No. 90 as directed in the Commission's February 18, 1998 order.
