**CONSOLIDATED EDISON COMPANY OF NEW YORK, INC.**

Hon. Janet H. Deixler  
Secretary  
Public Service Commission  
State of New York  
Three Empire State Plaza  
Albany, New York 12223

Dear Secretary Deixler:

Consolidated Edison Company of New York, Inc. ("Con Edison" or the "Company") is filing today with the Public Service Commission (the "Commission") amendments to its Schedule for Gas Service, P.S.C. No. 9 – Gas identified below:

**P.S.C. No. 9 – Gas**

Original Leaf No 342. 1

The tariff leaf is issued on 30 days' notice, and bears an effective date of December 31, 2000.

**Background**

On September 29, 2000 the Company submitted tariff changes to its Schedule for Gas Service in compliance with the Commission's August 24, 2000 Order Directing Utilities to File Revised Interruptible Gas Service Tariffs. The filing included Second Revised Leaf No. 342.

**Reason for Filing**

The filing being made today is for a "housekeeping" change to restore language inadvertently omitted from the September 29, 2000 filing of Second Revised Leaf No. 342. The tariff changes that were issued by the Company on September 29, 2000 inadvertently omitted tariff language that was previously contained on Original Leaf No. 342 and First Revised Leaf No. 342, which was filed September 5, 2000. Both the First Revised Leaf and the Second Revised Leaf were approved to become effective October 1, 2000. The tariff change being made today restores the tariff language that would have appeared on Leaf No. 342 but for the inadvertent omission.

The Company did not intend to eliminate these long-standing provisions related to facility prepayments and have not stopped following those provisions.

**Notice and Conclusion**

Because this change is being issued to correct a clerical error, the Company requests waiver of newspaper publication. The Company respectfully requests expeditious approval of this tariff change.

Respectfully submitted,

CONSOLIDATED EDISON COMPANY OF NEW YORK, INC.
