RE: Case 93-M-0411 - Revisions to Statements of Percentage
Increase In Rates and Charges for MTA Tax Surcharge

Dear Secretary Deixler:

Consolidated Edison Company of New York, Inc. ("Con Edison" or the "Company") is filing today the following revisions to the "Statement of Percentage Increase in Rates and Charges" separately stated on Con Edison's gas tariff:

GRT Statement No. 8 to PSC No. 9 - Gas

This statement is issued March 12, 2001, to become effective April 1, 2001.

Explanation of the Statement Changes

The State acted, via Chapter 56 of the 1993 Laws of New York to extend the Temporary Metropolitan Business Tax surcharge ("MTA") for two years through 1994 at the 17 percent rate. The New York State Department of Taxation and Finance by Notice, designated at TP-37 dated July 1995, extended the MTA to tax years beginning on and after January 1, 1995 and ending December 31, 1997. The MTA

surcharge was further extended to December 31, 2001 (Case 98-M-0489, issued August 26, 1998). The Commission, by

order dated June 14, 1993 in Case 93-M-0411, authorized all affected utilities to recover the tax expense. This filing recovers the 2000 MTA tax expense commencing April 1, 2001.

The Company has revised the "Statement of Percentage Increase in Rates and Charges" applicable to its gas tariff. The revisions are consistent with the Company's tariff and set forth the new percentage increase which will become effective April 1, 2001.

The revised statement contains the percentage increase in rates and charges to apply beginning April 1, 2001. The collection MTA tax is predicated on estimated expenses and revenues and to later reconciliation.

Respectfully submitted,

CONSOLIDATED EDISON COMPANY OF NEW YORK, INC.
