Albany, NY 12223-1350

Dear Commissioners:

The enclosed statements are issued by Central Hudson Gas & Electric Corporation and transmitted for filing in compliance with the requirements of the Public Service Commission of the State of New York regarding change in adjustments.

PSC No. 12 - Gas

<u>Statement</u>	<u>Number</u>	<u>Applicable to Service Classes</u>
Statement of Interruptible Gas Rates	IGR - 12	8
Statement of Interruptible Gas Transportation Rates	ITR - 12	9

The purpose of this filing is to issue revised rates for the Company's interruptible sales and transportation services. These rates are issued on June 1, 2000 and are to become effective on June 2, 2000. Central Hudson is forced to increase the interruptible sales rates because of the rising cost of gas supplies needed to meet our interruptible sales customers' requirements during June. Our interruptible transportation rates are a derivative of the interruptible sales rates and are being revised to reflect the changes in our interruptible sales rates.

Yours very truly,

Arthur R. Upright
