Case 99-G-1592

Dear Commissioners:

Attached for filing electronically with the Commission are the following rate leaves, issued by Central Hudson Gas & Electric Corporation ("Central Hudson" or "the Company"), to become effective on February 15, 2000:

Gas - P.S.C No. 12
First Revised Leaf No. 73
Second Revised Leaf No. 159
First Revised Leaf No. 186
Second Revised Leaf No. 187
First Revised Leaf No. 191
Second Revised Leaf No. 192
Statement FTR No. 8

Central Hudson is issuing these leaves and Statement in compliance with the Commission's Order in Case 99-G-1592, issued and effective February 11, 2000. The Commission's Order in this case approved the Company's filing which requested changes to the monthly Transportation Demand Adjustment rate (TDA) applicable to customers operating under Service Classification Nos. 6, 12 and 13 who choose to purchase their upstream capacity from third party suppliers. However, the Order disallowed the exclusion of the Transition Cost Surcharge from the TDA and requested that the Company refer to this surcharge as the "Pipeline Transition Costs Surcharge" and change the term "Gas Supplier Credits" to "Pipeline Credits." The Company has incorporated these changes in the attached leaves.

Ordering clause (3) waived the requirements of 66((12)(b)) of the Public Service Law as to newspaper publication.

Very truly yours,

Arthur R. Upright
