Ms. Janet Hand Deixler
Secretary
New York Public Service Commission
3 Empire State Plaza
Albany, NY 12223-1350

Dear Ms. Deixler:

The Village of Endicott hereby files "housekeeping changes" to its Concurrence Tariff to correct the energy charge under Service Classification No. 2 - General Service - Non-demand Metered. The energy charge for this class should be \$.0438 per kWh instead of \$.0270 per kWh as currently stated in the tariff. The incorrect charge was the result of a typographical error when the Village's tariff was filed with the Commission in May 1998. The Village requests that the Commission waive its newspaper publication requirement because the Village has been billing the correct charge to its customers.

Sincerely,

Ginger Strano
