Dear Secretary Brilling:

Orange and Rockland Utilities, Inc. hereby transmits for electronic filing its Statement of Increase in Rates and Charges No. RTS-36 to its Schedule for Gas Service P.S.C. No. 4 – Gas (“Gas tariff”). Under separate cover, the Company also filed its Statement of Increase in Rates and Charges No. RTS-90 to its Schedule for Electric Service, P.S.C. No. 2 - Electricity. These Statements are issued March 11, 2009 to become effective April 1, 2009.

This filing is made in accordance with the Company's Gas tariff, Section 15 of P.S.C. No. 4 - Gas, which provides for the Company's recovery of the tax expense imposed by the temporary Metropolitan Transportation Authority Business Tax Surcharge pursuant to New York State Tax Law Sections 209-b and 186-c. A revised surcharge is filed annually to be effective for the fiscal period April 1 through March 31.

The gas MTA surcharge factor set forth in the Statement of Increase in Rates and Charges No. RTS-36 reflects: (1) the MTA tax expense on the estimated 2008 New York State Net Income Tax, (2) the MTA tax expense on the 2008 Gross Income Tax, and (3) the reconciliation of the MTA tax expense on the actual 2007 New York State Net Income Tax with the MTA tax expense on the estimated 2007 New York State Net Income Tax that was included in the Company's March 7, 2008 MTA tax filing with the Commission.

Work papers detailing the determination of the proposed MTA Tax electric and gas surcharge factors are being submitted with the Company's electric filing.

Questions regarding this filing can be directed to me at (212) 460-3308.

Very truly yours,

William A. Atzl, Jr.
