the Rates, Charges, Rules and Regulations of Rochester Gas and  
Electric Corporation for Electric Service. Economic Development  
Plan filing for 2009

Dear Secretary Brillling:

The enclosed tariff leaves, issued by Rochester Gas & Electric Corporation (“RG&E” or the “Company”), are filed in accordance with the New York State Public Service Commission’s (“Commission”) Order Approving Tariff Subject to Conditions and Requiring Additional Filings, issued and effective December 17, 2008, in Case 02-E-0198 (the “December Order”). The tariff leaves are transmitted for filing in accordance with the requirements of Appendix 7-H (electronic tariff filing system) to the Commission’s Codes, Rules and Regulations (16 NYCRR Appendix 7-H). The leaves shall become effective on January 1, 2009.

P.S.C. No. 19 – Electricity, Schedule for Electric Service

Leaf No. 81.1	Revision 5
Leaf No. 81.3	Revision 3
Leaf No. 81.4	Revision 3
Leaf No. 81.5	Revision 3
Leaf No. 83	Revision 3
Leaf No. 85.3	Revision 2
Leaf No. 204.4	Revision 4

Purpose of the Filing

The Company is filing revisions to its tariff in compliance with the December Order. RG&E was authorized to continue the Incremental Load Rate (ILR) incentive program, which provides a discount on the delivery portion of a customer’s bill, for an additional four-year period until December 31, 2012. The tariff revisions herein provide for the four-year extension period. A clarification has also been added within the General Information Section 4, Metering and Billing. The additional language clarifies that eligibility for billing on the ILR rate incentive is based on kW (and kWh) usage.

Honorable Jaclyn A. Brillling, Secretary

In addition to the changes made in accordance with the December Order, RG&E has been instructed by Staff to include in this filing three additional leaves that require a housekeeping change to correct revision numbering. The three leaves were listed as part of the Economic Development Plan filed on September 2, 2008, and now require revision updates.

Newspaper Publication

In accordance with Ordering Clause 3 of the Order, the requirement of Section 66(12) (b) of the Public Service Law that requires newspaper publication of proposed tariff changes is waived.
