Re: Housekeeping Filing

Dear Commissioners:

The amended tariff leaves set forth below are filed by Central Hudson Gas & Electric Corporation ("Central Hudson" or the "Company") on October 15, 2008 to become effective February 1, 2009.

P.S.C. No. 12 – Gas

3rd Revised Leaf No. 8
3rd Revised Leaf No. 74
12th Revised Leaf No. 159
6th Revised Leaf No. 169

2nd Revised Leaf No. 177
11th Revised Leaf No. 186
11th Revised Leaf No. 191

The purpose of this filing is to 1) update references to the Company's Calendar of Gas Transportation Schedule; 2) add provisions to the retail access service classifications which are subject to the tax rates included in General Information Section 28; 3) correct grammatical errors and 4) remove references to the Transition Surcharge which is no longer applicable due to all marketers taking Central Hudson capacity as result of the Order in Case 07-G-0299. Since the August 30, 2007 Order in the aforementioned case required all utilities to file tariff changes effectuating mandatory capacity release for all marketers currently taking LDC capacity and grandfathering marketers using their own capacity, the Company did not remove the Transition Adjustment at that time. The subsequent March 28, 2008 Order approved only those tariff leaves filed in the initial compliance filing, however the two marketers using their own capacity opted to take Central Hudson capacity, therefore eliminating the need for the transition surcharge in the tariff. As the Company considers these housekeeping changes, the Company requests that the requirements of 66 (12)(b) of the Public Service Law as to newspaper publication be waived.

Questions related to this filing should be directed to Stacy Powers at (845) 486-5815.

Yours very truly,

Michael L. Mosher
