O&R implemented an interim surcharge of 4.727 cents per Ccf in its gas supply charge ("GSC") effective March 1, 2007. The current surcharge is based on undercollections experienced during the period September 2006 through January 2007 and estimates of February 2007 data. The analysis has been updated to include actual February 2007 data, and the result is an estimated undercollection of \$2,987,232, which is \$382,269 higher than the estimate included in the current interim surcharge. Adding the incremental \$382,269 to the interim surcharge beginning in April 1, 2007 adds 1.493 cents per Ccf to the existing 4.727 cents per Ccf, for a total of 6.220 cents per Ccf. Pursuant to discussions with Commission Staff, the Company has filed a revised interim surcharge of 6.220 cents per Ccf effective April 1, 2007.

Any questions regarding this filing can be directed to me at (212) 460-3308.

Very truly yours,

William A. Atzl, Jr.
