Re: Case No. 06-G-1553 – Tariff Filing by National Fuel Gas
Distribution to revise its proration tariff language

Dear Secretary Brillling:

National Fuel Gas Distribution Corporation (“Distribution” or the “Company”) submits the following amendment to its tariff, P.S.C. No. 8 - GAS:

Supplement No. 26

The proposed supplement is issued as of today for an effective date of March 22, 2007.

Distribution submitted a tariff amendment on December 20, 2006 revising the number of circumstances that a customer’s bill may be prorated and mitigated the potential for unnecessary customer confusion regarding how a prorated bill was calculated. The sole purpose of this filing is to cancel the proposed tariff amendment effective March 22, 2007 to comply with the Commission’s *Order* issued and effective March 21, 2007.

For questions relating to this filing, please contact the undersigned or Eric Meinl at (716) 857-7000.

Respectfully submitted,

Michael W. Reville
