RE: Revision to Statement of Percentage Increase in Rates and Charges Applicable to  
P.S.C. No. 9 - Gas

Dear Secretary Brilling:

Consolidated Edison Company of New York, Inc. ("Con Edison" or the "Company") is filing today with the Public Service Commission ("the Commission") the following revisions to the Statement of Percentage Increase in Rates and Charges ("Statement") separately stated on Con Edison's gas tariff:

GRT Statement No. 29 to PSC No. 9 – Gas

This statement is issued on December 12, 2006, to become effective January 1, 2007

## **Explanation of Filing**

On December 15, 2005, the Company filed revisions to the Statement to refund \$1,732,321 of net cumulative over collected State Income Tax ("SIT") and to recover \$1,047,143 of MTA surcharge on SIT expenses. Both the refund of SIT and the recovery of the MTA surcharge on SIT have been applied over the twelve month period ending December 31, 2006 through the separate percentage tax factors to the rates and charges applicable to Service Classification ("SC") Nos. 1, 2 3 and 13 firm sales customers, SC 12 interruptible and off-peak firm sales customers, and corresponding SC 9 transportation customers.

Both the adjustment for the refund of SIT expense and the recovery of MTA surcharges on SIT expense will conclude as of December 31, 2006. With this filing effective January 1, 2007, the applicable percentage increases in rates and charges will be revised to eliminate the effects of these adjustments.

Pursuant to the Company's tariffs, this Statement is being filed on not less than 15 days' notice.

Respectfully Submitted,

CONSOLIDATED EDISON COMPANY OF NEW YORK, INC.
