RE: Massena Electric Department – Case #06-E-0288

Dear Secretary Brilling:

Attached for filing with the Commission is Revised Tariff Leaf 34 and Second Revised Tariff Leaf 35 to the Schedule for Electric Service P.S.C. No. 2 ELECTRICITY issued by Massena Electric Department ("Massena") to become effective November 1, 2006. The purpose of this filing is to amend Massena's March 10, 2006 filing which allowed the creation of Individual Service Agreements (ISA) for non-residential customers. This amendment clarifies the terms and filing requirements of the Individual Service Agreements.

As this filing does not change the Individual Service Agreements but merely clarifies the requirements and terms, permission is also requested for a waiver from the Commission's regulations governing newspaper publication of this filing.

Massena asks that questions regarding this filing be directed to:
