RE: Massena Electric Department

Dear Secretary Brillling:

Attached for filing with the Commission is Revised Tariff Leaves 2, 5, 7, 9, 12, 18, 23 and 36 to the Schedule for Electric Service P.S.C. No. 2 ELECTRICITY issued by Massena Electric Department ("Massena") to become effective September 1, 2006. The purpose of this filing is to amend Massena's May 31, 2006 filing which changed the method Massena uses in calculating its Purchase Power Adjustment and updated their Factor of Adjustment.

It has come to our attention that the Factor of Adjustment can only be changed during a rate case. Since the Factor of Adjustment was not previously stated on Massena's tariff leaves, we would like to make that correction at this time. The Factor of Adjustment now listed is in compliance with the Commission Order dated October 29, 1997 related to Case 97-E-1387.

As this filing only corrects the Factor of Adjustment listed to agree with the Order from 1997, permission is also requested for a waiver from the Commission's regulations governing newspaper publication of this filing.

Massena asks that questions regarding this filing be directed to:

For the Massena Electric Department
