RE: Massena Electric Department

Dear Secretary Brillling:

Attached for filing with the Commission is Supplement No. 2 to the Schedule for Electric Service P.S.C. No. 2 ELECTRICITY issued by Massena Electric Department to become effective August 26, 2006.

The purpose of this filing is to postpone until October 1, 2006 the effective date of Original Leaves 34 and 35. The postponement is requested to allow us to submit further information as requested by Commission Staff.

As the filing only changes the effective date of the tariffs, permission is also requested for a waiver from the Commission's regulations governing newspaper publication of the enclosed supplement.

Respectfully submitted,

Massena Electric Department
