Dear Commissioners:

Central Hudson Gas & Electric Corporation ("Central Hudson" or the "Company") hereby files the attached tariff leaves. These leaves are issued on May 31, 2006 to become effective on June 1, 2006 on a temporary basis.

P.S.C. No. 12 - Gas

1st Revised Leaf No. 197.1
1st Revised Leaf No. 197.2

The amendments listed above reflect minor clarifications to the Company's March 14, 2006 filing made in compliance with Ordering Paragraph 2 of the Commission's November 23, 2005 Order issued in the above referenced proceedings. By that Order, the Commission revised the methodology used in the determination of the value-added component of the interruptible transportation rates applicable to electric generation facilities. The need for these clarifications was identified during discussions with Staff of the Department of Public Service.

Pursuant to Ordering Paragraph 4 of the Order, the requirements of Public Service Law §66(12)(b) as to newspaper publication of the tariff amendments filed herein has been waived.

Questions related to this filing should be directed to Glynis L. Bunt at (845) 486-5420.

Yours very truly,

Arthur R. Upright
