Re: Housekeeping filing by New York State Electric & Gas Corporation to consolidate tariff changes approved by the Public Service Commission.

Dear Secretary Brillling:

The enclosed tariff leaf, issued by New York State Electric & Gas Corporation (“NYSEG” or “the Company”), is transmitted for filing in compliance as identified herein and in accordance with the requirements of Appendix 7-H (electronic tariff filing system) to the Commission’s Codes, Rules and Regulations (16 NYCRR Appendix 7-H). The leaf is to become effective on June 1, 2008.

PSC No. 88 – Gas, Schedule for Gas Service
Leaf No. 53, Revision 11

Reason for Proposed Revisions

This filing is being submitted to make “housekeeping” revisions to NYSEG’s gas tariff after discussions with Staff.

Overview of the Filing

The purpose of this filing is to consolidate tariff changes made in separate filings described herein. The Company filed revisions in compliance with the Commission’s Order Denying Tariff Amendments, issued and effective December 22, 2006 (“December Order”), and tariff revisions in compliance with the Commission’s Order on Capacity Release Programs issued on August 30, 2007 in Case No. 07-G-0299 (“Capacity Order”). Due to the timing of these filings and their effective dates, tariff revisions for the filings in compliance with the Capacity Order did not contain Bill Issuance Charge filed in compliance with the December Order. The proposed revisions herein reflect the consolidation of these filings.

Newspaper Publication

NYSEG requests waiver of publication of these proposed changes in accordance with Section 66(12)(b) of the Public Service Law and 16 NYCRR Section 720-8.1, as these “housekeeping” revisions have no direct impact on NYSEG’s gas customers.
