Re: Pole Attachment Proxy Rate ~ Massena Electric Department

Dear Secretary Brilling:

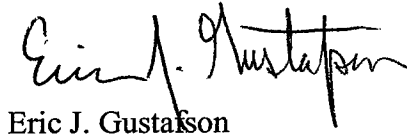

Attached please find Revised Leaf No. 28 of PSC No. 2 Electricity for the Town of Massena issued November 15, 2007 to be effective January 1, 2008. The purpose of this filing is to set the Town's annual pole attachment rate to \$8.51 per equivalent pole. This amount represents the proxy rate authorized by the Public Service Commission in Case No. 06-E-1427 issued and effective May 9, 2007. The Town feels that this rate is just and reasonable and will cover the costs associated with the services provided.

Further Information

The Town asks that questions regarding this filing be directed to:
