Re: New York State Electric & Gas Corporation's Proposal to Revise Notice
Requirements for No Access to Meter Situations

Dear Secretary Brillling:

The enclosed tariff leaf, issued by New York State Electric & Gas Corporation ("NYSEG" or "the Company") is transmitted for filing in compliance with the requirements of the New York State Public Service Commission ("PSC" or "Commission") and Appendix 7-H (electronic tariff filing system) to the Commission's Codes, Rules and Regulations (16 NYCRR Appendix 7-H). The leaf is proposed to become effective on March 1, 2008.

P.S.C. No. 90 – Schedule for Gas Service
Leaf No. 48, Revision 1

Overview

The Company is proposing to revise its tariff on the method of notification for meter access when a customer or a person who controls access to a meter has not provided access to such meter. This revision will conform NYSEG's tariff to its sister utility's (Rochester Gas & Electric Corporation) tariff. If NYSEG is unable to obtain a meter reading after six (6) months or three (3) billing periods, whichever is greater, the Company will notify the customer or the person who controls access to the meter via a bill message on the customer's bill. NYSEG is also proposing to use this same method of notification if the Company is unable to obtain a meter reading after eight (8) months or four (4) billing periods, whichever is greater¹.

This method of notification meets the requirements set forth in 16 NYCRR Section 11.13. Furthermore, by using the same process employed at Rochester Gas & Electric Corporation and including the notice with the customer's bill after three (3) billing periods with estimated meter reads, the communication process becomes consistent and automated.

¹ The process in which a customer is notified via certified or registered letter of the Company's intent to obtain a court order to gain access to a meter if the customer fails to respond to the notice after eight months or four billing periods will continue.

Newspaper Publication

The Company requests that the requirement of Section 66(12)(b) of the Public Service Law and 16 NYCRR Section 720-8.1 as to newspaper publication be waived because these tariff changes have minimal impact on the majority of NYSEG's customers.

A State Administrative Procedure Act Notice is enclosed for publication in the State Register.
