The Company's filing incorporates revisions to Rule 3 – Priority of Service as set forth in the Gas Curtailment Guidelines set forth in Appendix B to the August 23, 2007 Order. The filing further clarifies the definition of core customers as it pertains to the Company's Monthly and Daily Balancing programs. All of the Company's customers participating in Daily Balancing Service are considered non-core customers.

The Company has developed a plan to inform Marketers' customers of the changes to Rule 3 incorporated herein as required by Appendix B Gas Curtailment Guidelines. Specifically the Company will contact non-core customers in writing to inform them of the new procedures and to clarify that compensation will be made to Gas Marketers or Direct Customers, (as the case may be), and not to the end use customer. Concurrent with the mailing of that information to the customers, the Company will conduct a conference call with interested Gas Marketers participating in the SupplierSelect program to outline the curtailment procedures and to answer questions as needed. The Outreach and Education plan will commence during the month of November 2007 once the Company's filed tariff leaves become effective. Additionally, copies of this tariff filing have been served on all parties to Case 06-G-0059.

In accordance with Ordering paragraph 4 of the August 23, 2007 Order, newspaper publication of the proposed tariff changes required by 16 NYCRR 720-8.1 are waived.

Questions regarding this filing should be addressed to Marcia Collier on 315-428-5692 or Jim Dillon on 315-428-5875. Please advise the undersigned of any action taken in regards to this filing.

Sincerely,

Marcia G. Collier
