Re: Case 07-G-0299 - In the Matter of Issues  
Associated with the Future of the Natural Gas  
Industry and the Role of Local Gas Distribution  
Companies – Capacity Planning and Reliability

Dear Secretary Brillling:

Consolidated Edison Company of New York, Inc. ("Con Edison" or the "Company") hereby submits for filing the following tariff leaves reflecting revisions to its Schedule for Gas Service, P.S.C. No. 9 – GAS (the "Gas Tariff"). The proposed revisions to the Company's Gas Tariff are being filed to correct an inadvertent error in certain tariff leaves filed with the Public Service Commission (the "Commission") on October 1, 2007 and October 31, 2007, in compliance with the Commission's "Order on Capacity Release Programs" (the "Order"), issued and effective August 30, 2007, in Case 07-G-0299.

Leaf	176	Revision	5	Superseding	4
Leaf	183.1	Revision	12	Superseding	11

In compliance with the Order, the tariff leaves filed electronically today are effective November 1, 2007, on a temporary basis.

#### Summary of Tariff Modifications

On October 1, 2007 and October 31, 2007, the Company filed amendments to its Gas Tariff to implement a mandatory capacity release program in compliance with the Order.

Prior to making those filings, the Company had filed, on September 28, 2007, tariff amendments in compliance with the Commission's Order in Case 06-G-1332, Proceeding on Motion of the Commission as to the Rates, Charges, Rules and Regulations of Consolidated Edison Company of New York, Inc. for Gas Service, Order Adopting In Part the Terms and Conditions of the Parties' Joint Proposal, issued and effective September 25, 2007. In that filing, all of the tariff provisions which had been included on Leaf No. 183.1 were moved to Leaf No. 176. In the filings made on October 1, 2007 and on October 31, 2007, the proposed tariff revision to be made to Leaf No. 176 was inadvertently made on Leaf No. 183.1. In this filing, the intended revision has been inserted on Leaf No. 176, and Leaf No. 183.1 has been restored to its original form as filed with the Company's September 28, 2007 filing in Case 06-G-1332.

Notices

The Company respectfully requests that the requirement for newspaper publication of the changes proposed herein be waived in its entirety since notice of the changes will be sent to the affected Sellers and to all parties on the official service list and the changes will go into effect on a temporary basis.

Questions regarding this filing may be directed to me at (212) 460-3325.

Very truly yours,

Christine Colletti  
Director – Rate Engineering
