Dear Secretary Brilling:

Consolidated Edison Company of New York, Inc. ("Con Edison" or the "Company") is filing with the Public Service Commission ("Commission") Supplement No. 33 to its Schedule for Gas Service, PSC No. 9 – Gas ("Gas Tariff").

On April 1, 2005, in compliance with the Commission's Order dated September 27, 2004 in the above-referenced proceeding¹, the Company filed with the Commission amendments to its Gas Tariff in order to implement a marketer assignment program ("April Filing"). The specific leaves being revised bore an effective date of August 1, 2005.

Staff has requested that the Company further postpone this filing and the Company and staff have agreed to extend the postponement until April 1, 2008.²

² As noted in our filing letter dated July 6, 2005, postponing the effective date of the leaves from August 1, 2005 until April 1, 2006, certain parties submitted comments to the Commission regarding this filing. In light of this further postponement, as well as the possibility that the parameters of the marketer assignment program that the Company plans to file on April 1, 2008 may differ from those set forth in the April Filing the Company will not address these comments at the present time. The Company, however, does reserve the right to address these comments as

Accordingly, Con Edison files today Supplement No.33, to its Gas Tariff postponing until April 1, 2008 the tariff leaves filed on April 1, 2005. The Company respectfully requests that the requirement for newspaper publication of the change proposed by the supplement be waived.
