RE: Revisions to Rochester Gas and Electric Corporation's ("RG&E" or the "Company") April 7, 2005 PSC No. 16 – Gas Tariff Filing (the "April 7 Filing")

Dear Secretary Brilling:

The enclosed tariff leaves, issued by RG&E, are transmitted for filing with the New York State Public Service Commission ("Commission"). This filing is also made in accordance with Appendix 7-H (electronic tariff filing system) to the Commission's Codes, Rules and Regulations (16 NYCRR Appendix 7-H). The leaves are issued May 26, 2005, to become effective July 1, 2005. See Appendix 1 for an Index of leaves.

At the request of Staff, revisions are being made to RG&E's April 7 Filing to clarify (1) that an Energy Services Company ("ESCO") taking over service to an existing set of customers will assume the Delivery and Storage Redelivery ("DSR") Service choice of the preceding ESCO, and (2) the process for an ESCO that is new to RG&E's service territory to elect DSR Service.

Please call Curt Roney at (585)724-8252 with any questions regarding this filing.

Very truly yours,
