RE: Revisions to Rochester Gas and Electric Corporation's ("RG&E" or the "Company") May 31, 2005 Electric Flexible Rate Service PSC 19 – Electricity Tariff Filing (the "May 31 Flex Rate Filing")

Dear Secretary Brilling:

The enclosed tariff leaves, issued by Rochester Gas and Electric Corporation ("RG&E" or the "Company"), are transmitted for filing in compliance with the Public Service Commission's ("PSC" or "Commission") Order Approving Guidelines for Flexible Rate Service Contracts, issued and effective April 14, 2005, (the "April Order"), in Case No. 03-E-1761 – Proceeding on the Motion of the Commission to Reexamine Policies and Tariffs for Flexible Rate Contract Service to Economic Development Customers. This filing is also made in accordance with Appendix 7-H (electronic tariff filing system) to the Commission's Codes, Rules and Regulations (16 NYCRR Appendix 7-H). The leaves are issued July 27, 2005 to become effective August 29, 2005. See Appendix 1 for an Index of leaves.

Based on discussions with Staff, revisions are being made to RG&E's May 31 Flex Rate Filing to revise the last sentence in the Commodity Rate section and to delete the last sentence in the Term section.

Please direct any questions pertaining to this filing to Curt Roney at (585)724-8252 or to me at (585)771-4692.

Very truly yours,

Mark O. Marini
Manager, Regulatory and Tariffs
Rates and Regulatory Economics

Enclosures
