Dear Secretary Brillling:

Rainbow Water Company, Inc. (Rainbow) is formally requesting the Staff of the Water Rates Section of the Department of Public Service to electronically file on its behalf, 2003 DWSRF Emergency Capital Improvement Surcharge Statement No. 2, to its Tariff Schedule, P.S.C. No. 3 – Water, with an effective date of October 1, 2005, and any future compliance filings with regard to this Statement. This filing has the effect of reducing the customers' quarterly surcharge of \$56.25, approved to become effective October 1, 2003 in Case 03-W-1026, to \$47.93 per quarter to reflect the actual costs of the financing necessary for the replacement of its pumping station. I am also mailing a hard copy of this letter and statement to you.

Rainbow also requests waiver of newspaper publication of the proposed changes since it plans to individually notify its customers of the filing.

Sincerely,

Joseph Maggi, President
