Re: Case Nos. 99-M-0631 and 03-M-0117

Dear Secretary Brillling:

Consolidated Edison Company of New York, Inc. ("Con Edison" or the "Company") is filing today with the Public Service Commission (the "Commission") amendments to Service Classification No. 20 of the Company's Schedule for Gas Service - P.S.C. No. 9 – Gas ("the Gas Schedule").

The tariff amendments are reflected on the attached First Revised Leaf No. 398. Such tariff leaf is issued as of December 3, 2003 to become effective January 23, 2004, in compliance with Ordering Clause 3 of the Commission's Order Relating to Implementation of Chapter 686 of the Laws of 2003 and Pro-ratation of Consolidated Bills, issued and effective June 20, 2003 ("June 2003 Order").

Summary of Tariff Changes

On September 3, 2003, the Company filed tariff changes to Service Classification No. 20 of the Gas Schedule applicable to Marketers serving SC No. 9 transportation customers in compliance with the June 2003 Order. Among these tariff changes, the Company implemented new fees in instances where the Company was unable to gain access to the Customer's meter to end a suspension of gas service. As explained in the Company's September 2003 filing letter, the fees associated with such activity are \$29 for a residential non-heating customer and \$45 for a residential heating customer. Original Leaf No. 398, filed at that time to incorporate these fees in the tariff, inadvertently transposed the fees listed

for residential non-heating and heating customers. Therefore, the Company is filing First Revised Leaf No. 398 to correct the listing of the fees.

Notice

In accordance with Ordering Clause 3 of the Commission's June 2003 Order, newspaper publication was waived. A copy of this filing will be mailed by regular mail to all parties to Case Nos. 99-M-0631 and 03-M-0117.

Respectfully submitted,

CONSOLIDATED EDISON COMPANY OF NEW YORK, INC.
