Dear Secretary Deixler:

The enclosed schedule and statements, issued by Niagara Mohawk Power Corporation, are transmitted for filing in compliance with the requirements of the Public Service Commission of the State of New York:

Schedule PSC No. 219 Gas

Statement of Gas Appliance Repair No. 1  
Statement of Balancing Charge No. 1  
Statement of Balancing Services Cost Recovery No. 1  
Statement of Net Revenue Sharing Surcharge No. 1  
Statement of Research and Development Surcharge No. 1  
Statement of Revenue Tax Surcharges No. 1

To PSC No. 219 Gas

Effective: August 1, 2003

This new schedule and statements are being proposed in order to maintain consistency with the Public Service Commission's new electronic tariff system (ETS2) which became effective March 10, 2003.

There will be no customer impact of this tariff because all aspects of the current tariff schedule are included in this new filing.

Niagara Mohawk requests waiver of publication of this proposed change in accordance with 16NYCRR Part 720-8.1 since this filing has no impact on customers.

If you have any questions regarding this tariff revision, please contact the undersigned at (315) 428-5692.

Very truly yours,

Marcia G. Collier  
Manager, Gas Rates
