The Order requires that the utilities file tariff amendments and/or statements on not less than one day's notice to become effective October 1, 2005, incorporating the revisions described in the Order.

The Order establishes a 2006 RPS collection level for RGE of \$1,620,922. The RPS surcharge will be a volumetric (kWh) charge applied to the delivery portion of customer bills to all retail customers that pay the System Benefits Charge (SBC). The surcharge amount for the period October 1, 2005 through September 30, 2006 will be based on RGE's designated 2006 annual collection level and results in a surcharge of approximately \$0.0002 per kWh.

RGE will issue RPS Statements prior to the October 1, 2005 start of collection to establish the surcharge. Any over or under-collections will be reconciled on an annual basis. RGE will file annually to increase the RPS charge based on the annual collection level and the Order.

Per Ordering Clause 7 of the Order, the requirements of Section 66(12)(b) of the Public Service Law as to newspaper publication of the changes proposed by this filing are waived.

Please direct any questions pertaining to this filing to Cindy Reed at (607) 762-7656 or to me at (585) 771-4692.

Very truly yours,
