Re: Case No. 04-G-0999

Dear Secretary Brilling:

Orange and Rockland Utilities, Inc. ("O&R" or the "Company") hereby submits for filing revisions to the following tariff leaves of its Schedule for Gas Service, P.S.C. No. 4 – GAS (the "Gas tariff"):

10th	Revised Leaf No.	138
9th	Revised Leaf No.	138.1
1st	Revised Leaf No.	183.1
4th	Revised Leaf No.	184

The tariff leaves filed electronically today are to become effective on November 1, 2004.

Reasons for the Proposed Change

The purpose of this filing is to correct for a typographical error in two of the tariff leaves included in the Company's August 11, 2004 filing with the Commission, in which the Company proposed revisions to Service Classification ("SC") Nos. 3 and 8 of the Company's Gas tariff. The tariff leaves filed on August 11, 2004 bear an effective date of November 1, 2004.

In the changes filed today, the word "an" has been changed to "and" in the rate tables under the headings "(A) Over-deliveries – Daily" and "(C) Under-deliveries – Daily" of SC No. 8. The Company also proposes to make similar changes to SC No. 13 of the Gas tariff, which includes the same rate tables as in SC No. 8.

Notices

The Company respectfully requests that the Commission waive newspaper publication of the changes filed today on the basis that they are of a "housekeeping" nature.

Questions regarding this filing can be directed to me at (212) 460-3308.

Very truly yours,

William A. Atzl, Jr.
Director – O&R Rates
