Re: Case No. 98-M-1343 – Rochester Gas and Electric Corporation Compliance
Filing

Dear Secretary Brillling:

The enclosed tariff leaves, issued by Rochester Gas and Electric Corporation (“RG&E” or the “Company”) are transmitted for filing in compliance with the requirements of the New York State Public Service Commission (“PSC” or “Commission”).

PSC No. 16 – Gas, Schedule for Gas Service

Leaf No. 127.29, Revision 3

Leaf No. 127.30, Revision 2

Addendum - UBP No. 2

PSC No. 19 – Electricity, Schedule for Electric Service

Leaf No. 160.25, Revision 3

Addendum - UBP No. 2

Effective August 16, 2004.

The above tariff leaves are being filed pursuant to the Commission’s Order on Petitions for Rehearing and Clarification, issued July 15, 2004 (the "Order") and the Errata Notice issued August 2, 2004 (the "Errata Notice") in the above-referenced proceeding.

The Order states that the utility “...may charge a fee...to an ESCO, to establish, upon the ESCO’s requests, a separate account for one of the commodities the distribution utility provides.”¹ RG&E has modified its tariffs to include an Account Separation fee for ESCO-initiated requests to separate an account. The fee covers RG&E’s administrative costs of establishing the second account.
