Re: Central Hudson Gas & Electric Corporation: Housekeeping Changes

Dear Commissioners:

Central Hudson Gas & Electric Corporation ("Central Hudson" or the "Company") hereby files the attached proposed tariff leaves to become effective on February 15, 2006.

P.S.C. No. 12 - Gas

5th Revised Leaf No. 111

The purpose of this filing is to amend Central Hudson's November 8, 2005 housekeeping filing as directed by PSC Staff. Consistent with Staff's suggestion the proposed revisions on Leaf No. 111 specify the date for the provision of deliverability demand billing determinant charges to Retail Suppliers.

This leaf was originally issued on November 8, 2005 to become effective on February 15, 2006. As a result, the Company requests that this leaf still be allowed to become effective on short notice on February 15, 2006.

As the changes proposed herein either provide clarification or update the Company's rate schedule to reflect Commission approved directives and do not directly impact customers' bills, the Company requests that the requirements of Section 66(12)(b) of the Public Service Law as to newspaper publication be waived.

Questions related to this filing should be directed to Supreet Nahil at (845) 486-5761 or Glynis Bunt at (845) 486-5420.

Yours very truly,

Arthur R. Upright
