Re: Central Hudson Gas & Electric Corporation: Tariff Amendments for
Discontinuation of Fixed Price Option/ Housekeeping Changes

Dear Commissioners:

Central Hudson Gas & Electric Corporation ("Central Hudson" or the "Company") hereby files the attached proposed tariff leaves to become effective on February 15, 2006.

P.S.C. No. 12 - Gas

4th Revised Leaf No. 72
4th Revised Leaf No. 73
4th Revised Leaf No. 111
4th Revised Leaf No. 116

The proposed revisions on Leaf Nos. 72 and 73 are made consistent with the Company's decision to discontinue the Fixed Price Option for the 2005-06 season and pursuant to the Commission's Order in Case 05-G-0311.

The proposed revisions on Leaf No. 111 clarify procedures for the provisions of deliverability demand billing determinant charges to Retail Supplier that were agreed upon during the Retail Access Collaborative in Cases 00-E-1273 and 00-G-1274.

The proposed revisions on Leaf No. 116 are made in compliance with the changes that were approved by the Commission to remove the billing determinant charges from the customer's bills and to charge Retail Suppliers effective April 1, 2005, as originally proposed through the Retail Access Collaborative.

As the changes proposed herein either provide clarification or update the Company's rate schedule to reflect Commission approved directives and do not directly impact customers' bills, the Company requests that the requirements of Section 66(12)(b) of the Public Service Law as to newspaper publication be waived.

Questions related to this filing should be directed to Supreet Nahil at (845) 486-5761 or Glynis Bunt at (845) 486-5420.

Yours very truly,

Arthur R. Upright
