Dear Commissioners:

The enclosed statement is issued by Central Hudson Gas & Electric Corporation and transmitted for filing in compliance with the requirements of the Public Service Commission of the State of New York.

PSC No. 12 - Gas

<u>Statement</u>	<u>Number</u>	<u>Applicable to Service Class</u>
Statement of Interruptible Gas Rates	IGR - 84	8

The Company proposes that Statement IGR-84 applicable to Service Classification No. 8 become effective on November 30, 2005, superseding Statement IGR-83 filed on November 23, 2005, which was also to be effective November 30, 2005. These revisions are necessary to reflect the most recent gas pricing available and to ensure that gas sold to interruptible customers is not sold below cost.

Yours very truly,

Arthur R. Upright
