Dear Secretary Brillling:

This filing is also made in accordance with Appendix 7-H (electronic tariff filing system) to the Commission's Codes, Rules and Regulations (16 NYCRR Appendix 7-H).

RPS Statement No. 06 to PSC 18 – Electricity
RPS Statement No. 06 to PSC 19 – Electricity

The Order completed the Commission's mid-course review of the RPS Programs and modified the annual collection amounts for RG&E, commencing on July 1, 2010. RG&E updated the amount of revenues the Company needs to collect from customers from July 1, 2010 through September 30, 2010.

In accordance with the Appendices in the Order, an additional \$539,999 was added to the remaining amount of the 2010 estimated annual RPS target collection for RG&E. As stated above, the revised surcharge will be effective on July 1, 2010, and will apply to customer usage on and after that date.

A complete reconciliation of actual surcharge amounts over- or under-collected for the twelve month period beginning October 1, 2009, will be completed and the results of that calculation will be included in the surcharge calculation to become effective October 1, 2010.
