Dear Secretary Brillling:

The Brooklyn Union Gas Company d/b/a National Grid NY ("the Company") hereby submits electronically the revised tariff leaves listed below to its Schedule for Gas Service, PSC No. 12 on June 8, 2010 to become effective on October 1, 2010:

Fifth Revised Leaf No. 66
Twelfth Revised Leaf No. 73
Fourth Revised Leaf No. 341.1
Sixteenth Revised Leaf No. 342
Fifth Revised Leaf No. 401
Fifth Revised Leaf No. 406.4

The purpose of this filing is to 1) update the Company's definition of its Weighted Average Cost of Capacity ("WACOC"); 2) add corresponding language to the Company's Mandatory Capacity Program; and 3) eliminate the Capacity Release Surcharge Adjustment.

The Company is updating its WACOC definition to more clearly reflect the components used to calculate the charge.

Effective November 1, 2010 all capacity released under the Company's Mandatory Capacity Program – Tier 1 - will be released at the Company's WACOC as opposed to maximum pipeline rates.

With the revision to the Tier 1 release rate, the Capacity Release Surcharge Adjustment is no longer necessary.

Please contact the undersigned if you have questions or require further information.

Yours truly,

Dawn Herrity
