Re: Case No. 07-G-0141 – Further Revisions in the Proceeding on Motion
of the Commission as to the Rates, Charges, Rules and Regulations of
National Fuel Gas Distribution Corporation for Gas Service

Dear Secretary Brillling:

National Fuel Gas Distribution Corporation (“Distribution” or the “Company”) submits
the following amendment to its tariff, P.S.C. No. 8 - GAS:

Leaf No. 148.9 Revision 4

The proposed revision is issued as of today for an effective date of December 1, 2009.
The Company requests that the amendment be given “short notice” in order to go into effect on
December 1, 2009 which will coincide with the monthly billing statements that are filed on
November 25, 2009 by the Company to be effective during the month of December 2009.

The instant filing is a further revision in compliance with the Commission’s order dated
October 19, 2009 in the above referenced case that changes the billing rate, modifies and extends
the Company’s Conservation Incentive Program (“CIP”) through November 2010.

Customers are being notified of changes to the CIP in an extensive outreach and
education campaign. The change to the funding allowance implemented through this filing, on
its own, has no material effect on customer service.

For questions relating to this filing, please contact the undersigned or Eric Meinl at (716)
857-7000.

Respectfully submitted,

Michael W. Reville
