September 29, 2009

Honorable Jaclyn A. Brilling,
Secretary
New York State Public Service Commission
Three Empire State Plaza
Albany, NY 12223-1350

Dear Secretary Brilling:

Orange and Rockland Utilities, Inc. (the "Company") hereby submits for filing the following tariff leaves proposing revisions to its Schedule for Gas Service P.S.C. No. 4 – Gas ("Gas Tariff").

8th	Revised Leaf No.	144
3rd	Revised Leaf No.	146
	Original Leaf No.	146.1

These tariff leaves filed electronically today are scheduled to become effective on October 1, 2009. This filing is made in compliance with the Commission's Order Implementing Temporary State Assessment, issued June 19, 2009, in Case 09-M-0311 ("Temporary State Assessment Order").

On June 18, 2009, the Company filed tariff leaves containing proposed revisions to Service Classification ("SC") No. 9 and related sections of its Gas Tariff ("SC No. 9 Filing"). In Case No. 09-G-0507, the Commission determined that the tariff revisions included in the SC No. 9 Filing shall be allowed to become effective on October 1, 2009.

On June 30, 2009, during the pendency of the SC No. 9 Filing, the Company filed tariff leaves in compliance with the Temporary State Assessment Order. Those tariff leaves became effective on July 1, 2009.

The purpose of this filing is to update the above-referenced tariff leaves to incorporate the changes made in both the SC No. 9 filing and in the June 30, 2009 filing made in compliance with the Temporary State Assessment Order.

Any questions regarding this filing can be directed to me at (212) 460-3308.

Very truly yours,

William A. Atzl, Jr.
Director – O&R Rates
