Re: New York State Legislature Bill S8415 and A11592
Amendment to Public Service Law § 66-l; Net Metering for Non-
Residential Wind Electric Generating Systems and Amendments to
Eligible Equipment for Farm Customers
Tariff Filing by Rochester Gas and Electric Corporation

Dear Secretary Brillling:

The New York State Legislature enacted Bills S8415 and A11592 that the Governor of the State of New York signed into law that became effective on January 1, 2009. This new law, which is incorporated into the consolidated laws of New York as an amendment to New York State Public Service Law ("PSL") Section 66-l, provides for the net energy metering of qualifying Non-Residential wind electric generating systems and makes revisions to the Farm waste. On April 1, 2009, Rochester Gas and Electric Corporation ("RG&E" or the "Company") submitted a tariff filing to become effective on July 1, 2009, in compliance with the new law. In that filing, it was identified by Staff that a typographical error existing on one tariff leaf. Per discussion with Staff, RG&E will modify the tariff leaf and submit the revision through the electronic tariff filing system.

The enclosed tariff leaf is submitted in compliance with the Public Service Commission's ("PSC" or "Commission") Appendix 7-H (electronic tariff filing system) to the Commission's Codes, Rules and Regulations (16 NYCRR Appendix 7-H).

PSC No. 19 – Electricity
Leaf No. 178 Revision 5

Effective: July 1, 2009
