Re: Case 09-E-0227 – Tariff Filing by New York State Electric & Gas Corporation to
Modify Its Tariff Regarding Fixed Transition Charges

Dear Secretary Brillling:

The enclosed tariff leaf and Supplement, issued by New York State Electric & Gas Corporation (“NYSEG”), are transmitted for filing in compliance and accordance with Appendix 7-H (electronic tariff filing system) of the New York State Public Service Commission’s (“PSC” or “Commission”) Codes, Rules and Regulations (16 NYCRR Appendix 7-H).

PSC No. 120 – Electricity, Schedule for Electric Service
Leaf No. 117.9, Revision 5

Effective: June 26, 2009; and

Supplement No. 18 to PSC No. 120 – Electricity, Schedule for Service

Effective: June 1, 2009.

The revision being made is a housekeeping change to the tariff filed on March 2, 2009 (the “March filing”). The revision to the above listed tariff leaf will correct the periods for calculating the interim reconciliation adjustment. The March filing was submitted concurrently with a petition that provided more detailed support for the tariff revisions. The petition described the interim reconciliation adjustment that may be applied to the NBC on July 1, 2009 for the period ending May 31, 2009 and again on October 1, 2009 for the period ending August 31, 2009 for interim refunds or surcharges. The tariff leaf that was filed on March 2, 2009, incorrectly referenced the periods ending June 30 and September 30 for calculating the adjustments.

After discussions with Department of Public Service Staff, the postponement Supplement is being filed to permit additional review of the filing. This Supplement proposes to postpone the effective date of the filed tariff leaves until June 26, 2009.

Honorable Jaclyn A. Brillling, Secretary
